

**RELEASE OF CONFIDENTIAL INFORMATION TO THE
UNIVERSITY FELLOWSHIP SUBCOMMITTEE**

Each year the Fellowship Subcommittee awards fellowships on a competitive basis to graduate students in research areas. To nominate a student for a fellowship, the Department must forward to the Fellowship Subcommittee a copy of your admission application including transcripts, recommendations, and test scores. The Family Education Rights and Privacy Act of 1974 does not allow release of this information without your consent. Please sign the statement below authorizing release of your application materials to the Fellowship Subcommittee.

I hereby authorize release of information contained in my application materials to the University Fellowship Subcommittee for the purpose of evaluating my nomination for a University Fellowship.
