Petition for Approval of Outside Elective Course

Student Name _____ University ID Number _____

Explanation of petition procedure: Students must stay in close consultation with their advisor(s) throughout their entire degree program regarding course selection. For students currently enrolled in degree programs through the department (M.S. math, applied statistics, math education; Ph.D. math), elective courses taken outside of the department (i.e. courses other than MATH and STAT courses) must be approved **in advance** in order to apply towards the degree.

Please attach the following documentation to this petition form: You must provide the syllabus for the course under evaluation. Other documentation may be requested, as needed.
